Above all Powers - Above all Kings,
Above all nature, and all created things.
Above all wisdom, and all the ways of man
You were here before the world began.

Above all wonders the world has ever known
Above all wealth, and treasures of the earth
There's no way to measure what You're worth

You lived to die - rejected and alone
Like a rose, trampled on the ground
You took the fall - and thought of me...
Above all

Adonai

My Adonai
The maker of each moment, the Father of my hope and freedom
Oh my Adonai

Friends

G

VERSE 1

Packing up the dreams God planted
In the fertile soil of you
Can't believe the hopes He's granted
Means a chapter in your life is through
But we'll keep you close
As always, it won't even seem you've gone
'Cause our hearts, in big and small ways
Will keep the love that keeps us strong

CHORUS

And friends are friends forever
If the Lord's the
Lord of them
And a friend will not say never,
'Cause the welcome will not end
Though it's hard to let you go,
In the Father's hands we know
That a lifetime's not too long to live as friends

VERSE 2

With the faith and love God's given
Springing from the hope we know
We will pray the joy you'll live in
Is the strength that now you show
But we'll keep you close
As always, it won't even seem you've gone
'Cause our hearts, in big and small ways
Will keep the love that keeps us strong

ENDING

No, a lifetime's not too long to live as friends

His Strength Is Perfect

If I Stand

G

VERSE 1

There's more that rises in the morning than the sun
More that shines in the night than just the moon
There's more than just this fire here that keeps me warm
In a shelter that is larger than this room

BRIDGE

There's a loyalty that's deeper than mere sentiment
A music higher than the songs that I can sing
The stuff of earth competes for the allegiance
I owe only to the giver of all good things

CHORUS

So if I stand let me stand on the promise
That you will pull me through
And if I can't let me fall on the grace
That first brought me to You
If I sing let me sing for the joy
That has born in me these songs
But if I weep let it be
As a man who is longing for his home

VERSE 2

There's more that dances on the prairies than the wind
More that pulses in the ocean than the tide
There's a love that is fiercer than the love between friends
More gently than a mother's when her baby's at her side

I love You

In the Light

E

VERSE 1

I keep trying to find a life, on my own apart from You
I am the king of excuses, I've got one for every selfish thing I do

BRIDGE

Tell me what's going on inside of me? I despise my own behavior
This only serves to confirm my suspicions, that I'm still a man in need of a
Savior

CHORUS

I wanna be in the Light, as You are in the Light
I wanna shine like the stars in the Heavens
Oh Lord, be my Light, and be my salvation
'Cause all I want is to be in the Light, all I want is to be in the light

VERSE 2

The disease of self runs through my blood, it's a cancer fatal to my soul
Every attempt on my behalf has failed, to bring this sickness under control

In The Secret

G

In the secret, in the quiet place
In the stillness, You are there
In the secret, in the quiet hour I wait only for You
'Cause I want to know You more

I want to know You more
I want to touch You
I want to see Your face
I want to know You more

That I might receive the prize
Pressing onward, pushing every hindrance aside out of my way
'Cause I want to know You more

In Your Hands

G

I'm so secure, You're here with me
You stay the same, Your love remains
Here in my heart

CHORUS

So close I believe, You're holding me now
In Your hands I belong, You'll never let me go
So close I believe, You're holding me now
In Your hands I belong, You'll never let me go

VERSE 2

You gave Your life, Your endless love
You set me free, and showed the way
Now I am found

BRIDGE

All along You were beside me, even when I couldn't tell
Through the years, You showed me more of You
More of You

CHORUS 2

So close I believe, You're holding me now
In Your hands I belong, You'll never let me go
So close I believe, You're holding me now
In Your hands I belong,
You'll never let me go

Isaiah 40

G

CHORUS

Do you not know? Have you not heard?
The Lord is the everlasting God
The creator of the ends of the earth
He will not grow tired or weary
His understanding no one can fathom
He gives strength to the weary
And increases the power of the weak

VERSE 1

Why do you say O Jacob and complain O Israel
My way is hidden from the Lord
Why do you say O Jacob and complain O Israel
My cause is disregarded by my God

VERSE 2

Even youths grow tired and weary
Young men stumble and fall
Even youths grow tired and weary
Young men stumble and fall

ENDING

But those who hope in the Lord
will renew their strength
They will soar on wings, wings like eagles
They will run and not, not grow weary
They will walk and not, not be faint
Hallelujah, hallelujah

It's Your Blood

A

VERSE 1

My Jesus, God's precious sacrifice

VERSE 2

It's the blood of the Lamb
It's the blood of the Lamb
It's the blood of the Lamb
That can cleanse the deepest stain
Washes me, whiter than the snow, than the snow
My Jesus, God's precious sacrifice

Jesus Lord of Heaven

The grace that You have given,
And the promise of Your Word

Every day's a time to grow,
Every moment with my Jesus
Better life that I can know,
None can ever come between us

Getting closer with each new year
Singing praises all the while
I'll be with You when I'm through here

Jesus You Alone

The secret place and highest praise shall be Yours, shall be Yours

May it be the sweetest sound

I need You, I need You
Oh Lord, don't let me fall from You

And I know that you never promised no pain
Trials will come, and trials will test me
But help me Lord it's hard to see it as gain

Let me know that You're with me through the length
Though I'm weak, Lord, this is my prayer
Through my weakness, Lord please be my strength

Just the Time

G

VERSE

Just the time I feel that I'm at peace
With the world that's mine
I feel at ease, I feel at home
And I know I'm not alone
Then in my rest there comes a test
That shakes me 'til again I know
That what I've had is not enough
And again I've got to grow

CHORUS

Lord I want to know You more
Deep inside my heart I want to know You, Lord, I want to know You
And I would give my final breath, to know You in Your death and resurrection
Lord, I want to know You more, Lord, I want to know You more

VERSE 2

The full supply I find as I move closer to the heart of God
To strengthen me, to nourish me
And to fill my mind with Him
I've truly grown but even so
My hunger hasn't gone away
Still I long, still I thirst
To know Him more each day

Love Song

G

VERSE 1

Yes I gave my life away yea

Well I've heard it said that a man would climb a mountain to be with you (x4)

How many times has he broken that promise

It has never been done

I've never climbed the highest mountain,

But I walk the hill of Calvary

Love Song For A Savior

G

VERSE 1

In open fields of wild flowers
She breathes the air and flies away
She thanks her Jesus for the daisies and the roses,
in no simple language
Someday she'll understand, the meaning of it all
He's more than the laughter or the stars in the heaven
As close as a heartbeat or a song on her lips
Someday she'll trust Him, and learn how to see Him
Someday He'll call her and she will come running
And fall in His arms, the tears will come down
And she'll pray

It seems too easy to call You Savior
Not close enough to call You God
So as I sit and think of words I can mention

CHORUS

I want to fall in love with you
I want to fall in love with you
I want to fall in love with you
I want to fall in love with you

VERSE 2

Sitting silent wearing Sunday's best
A sermon echoes through the walls
A great salvation through it calls to the people
Who stare into nowhere
Can't feel the chains on their souls
He's more than the laughter or the stars in the heaven
As close as a heartbeat or a song on our lips
Someday we'll trust Him, and learn how to see Him
Someday He'll call us and we will come running
Fall in His arms, the tears will fall down
And we'll pray

BRIDGE

Make My Life A Prayer To You

C

VERSE 1

Make my life a prayer to You
I wanna do what You want me to
No empty words and no white lies
No token prayers, no compromise
I wanna shine the light You gave
Through Your son You sent to save us
From ourselves and our despair
It comforts me to know You're really there

CHORUS

Well I want to thank You now, for being patient with me
Oh it's so hard to see when my eyes are on me
I guess I'll have to trust and just believe what You say
Oh You're coming again, coming to take me away

VERSE 2

I wanna die and let You give
Your life to me so I might live
And share the hope You gave to me
The love that set me free
I wanna tell the world out there
You're not some fable or fairy tale
That I've made up inside my head
You're God the son, You've risen from the dead

Through faith in You I know that I can be
White as snow

Will You Worship

D

VERSE

Deep in my soul is a tug of war
I'm struggling to know what this life is for
I try so hard to stay in control
To hold back the tears, to not let go
I don't know why I hang on so long
When I know the question You are asking me

CHORUS

Will you worship, will you bow down
Before your Lord and King
Will you love me, will you give me your heart,
Your everything?

BRIDGE

Right here and now, I make my choice
With all my love, I will answer You

CHORUS 2

I will worship, I will bow down
Before my Lord and King
I will love You, I will give You my heart
My everything

Wonderful Maker

G

VERSE 1

You spread out the skies over empty space
Said, "Let there be light," to a dark and formless world
Your light was born
You spread out Your arms over empty hearts
Said, "Let there be light," to a dark and hopeless world
Your Son was born

BRIDGE

You made the world and saw that it was good
You sent Your only son, for You are good

CHORUS

What a wonderful maker
What a wonderful Savior
How majestic Your whispers
And how humble Your love
With a strength like no other
And the heart of a father
How majestic Your whispers
What a wonderful God

VERSE 2

No eye has fully seen, how beautiful the cross
And we have only heard, the faintest whispers of
How great You are

Worlds Apart

E

VERSE 1

I am the only one to blame for this
Somehow it all ends up the same
Soaring on the wings of selfish pride, I flew too high
And like Icharus, I collide
With a world I try so hard to leave behind
To rid myself of all but love, to give and die
To turn away and not become
Another nail to pierce the skin of one who loves
More deeply than the oceans
More abundant than the tears
Of a world embracing every heartache
Can I be the one to sacrifice
Or grip the spear and watch the blood and water flow

CHORUS

To love you (Take my world apart)
To need you (I am on my knees)
To love you (Take my world apart)
To need you (Broken on my knees)

VERSE 2

All said and done I stand alone
Amongst remains of a life I should not own
It takes all I am to believe
In the mercy that covers me
And did you really have to die for me
All I am for all you are cuz what I need
And what I believe are worlds apart
And I pray

ENDING

I look beyond the empty cross
Forgetting what my life has cost
Wipe away the crimson stains
And dull the nails that still remain

More and more I need you now,
I owe you more each passing hour
Battle between grace and pride
I gave up not so long ago
So steal my heart and take the pain
And wash the feet and cleanse my pride
Take the selfish, take the weak
And all the things I cannot hide
Take the beauty, take my tears
My sin soaked heart, make it yours
Take my world all apart, take it now, take it now
And serve the ones that I despise
Speak the words I can't deny
Watch the world I used to know,
Fall to dust and blown away
I look beyond the empty cross,
Forgetting what my life has cost
Wipe away the crimson stains
And dull the nails that still remain
So steal my heart and take the pain
Take the selfish take the weak
And all the things I cannot hide
Take the beauty take my tears
Take my world apart, take my world apart
And I pray, and I pray, I pray
Take my world apart, we're worlds apart

Your Beloved

G

VERSE

Lord it was You who
Created the heavens
Lord it was Your hands
That put the stars in their place
Lord it is Your voice
That commands the morning
Even oceans and their waves
Will bow at Your feet
Lord who am I compared to Your glory, oh Lord
Lord who am I compared to Your majesty

CHORUS

I am Your beloved
Your creation
And You love me as I am
You have called me chosen
For Your kingdom
Unashamed to call me Your own
I am Your beloved

Your Love Oh Lord

Your love oh Lord reaches to the heavens
Your faithfulness stretches to the sky

And Your justice flows like the ocean's tides

And I will lift my voice to worship You my King
And I will find my strength in the shadow of Your wings
